

Meeting Minutes – Sprint 2 Retrospective (Team 4)

Date 4/1/2026

Time: 7:30 pm EST

Duration: 1 hour and 30 minutes

Participants:

Team 4: Colin Tugend , Christopher Paquin, Matthew Edlin, Jair Franco

Topics Covered:

- Discussed the relationship between incidents and ride sessions.
- Talked about how to make the UI more cohesive and follow a theme.
- Dividing work based on different code sections to reduce work dependency and merge conflicts.

Summary:

- The team will be working on separate components of the application that will all tie together by the end of the sprint. UI cohesion is now a priority and will be implemented going forward. The relationship between ride sessions and incidents are more thoroughly defined.
